There is no assurance that the offering will be completed or, if completed, as to the terms on which it is completed. The Notes to be offered have not been and will not be registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold, directly or indirectly, in the United States or to or for the account or benefit of U.S. persons, as such term is defined in Regulation S of the Securities Act, absent registration or unless pursuant to an applicable exemption from the registration requirements of the Securities Act and any other applicable securities laws. This press release does not constitute an offer to sell or the solicitation of an offer to buy the Notes, nor shall it constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.

This announcement does not constitute and shall not, in any circumstances, constitute a public offering nor an invitation to the public in connection with any offer within the meaning of the Regulation (EU) 2017/1129 (as amended, the “Prospectus Regulation”). The offer and sale of the Notes will be made pursuant to an exemption under the Prospectus Regulation from the requirement to produce a prospectus for offers of securities.
